Mr. Jeff McCullough
Project Engineer
New York State Department of Environmental Conservation
Federal Facilities Section
625 Broadway
Albany, NY 12233-7015

Dear Jeff:

Subj: Final Record of Decision (ROD) for Operable Unit (OU) 2 -
Soils and Groundwater at Installation Restoration (IR)
Site 7 - Fuel Depot Area; Naval Weapons Industrial Reserve
Plant (NWIRP) Calverton, New York; EPA ID # NYD003995198

The Navy is forwarding two (2) copies of the subject Final
ROD for OU 2 for your concurrence. This latest version of the
OU 2 ROD incorporates changes that were requested by NYSDEC
during a teleconference held on October 30, 2002.

If this version of the ROD is satisfactory to NYSDEC, the
Navy would like to request that a concurrence letter be
forwarded to this Command and to my attention. Upon receipt of
that letter, the Navy will forward the Final ROD to the Naval
Air Systems Command for signature, as the property owner, and
then make full distribution of the Final ROD to the remainder of
NWIRP Calverton's regulatory and RAB communities.

If you have any questions, please give me a call at (610)
595-0567, extension 163.

Sincerely,

JAMES L. COLTER
Remedial Project Manager
By direction of the
Commanding Officer

Enclosure: (1) Final ROD for OU 2 - Soils and Groundwater at
IR Site 7 - Fuel Depot Area
